

Which is right for you?

“Migrating from Contact Management to CRM was easy with Maximizer. Using their technology helps us anticipate the needs of our customers and make informed suggestions to help them meet their financial goals—so not only are they more likely to stay with us, they are also likely to refer more business to us.”

Chris Carter
Associate Director & Branch Manager

Start with Maximizer™ CRM 10 Entrepreneur Edition for Contact Management

Small business owners have to perform many functions simultaneously—from prospecting and closing sales to servicing customers. Maximize your time, improve customer satisfaction and increase sales with Maximizer CRM 10 Entrepreneur Edition—the leading contact manager for entrepreneurs, home-based businesses, and sales professionals. It works immediately and is easy to configure to your unique business and customer tracking requirements. Manage your contacts, schedule appointments & tasks, synchronize with BlackBerry®, Windows Mobile® and Palm® devices, and link with QuickBooks®.

Move Up to Maximizer™ CRM 10 for Customer Relationship Management

As your business matures, you need to enable staff collaboration to attract more prospects, increase sales and retain loyal customers. To grow your business and continue to service your existing customers effectively, you need Maximizer CRM. In addition to contact and schedule management, this simple, accessible, adaptable CRM solution brings together Sales, Marketing, and Customer Service & Support in one powerful, integrated suite that is accessible from the corporate office, remotely, through the web, or through mobile devices including BlackBerry, Windows Mobile, and Palm. It provides more advanced functionality to enable you to automate and streamline key business processes including:

- Account and contact management
- Time management
- Task management and automation
- Sales force automation (opportunity management)
- Sales forecasting
- Territory management
- Lead management
- Marketing automation
- Email marketing
- Customer service & support management
- Outlook & Exchange synchronization
- Accounting integration (Intuit QuickBooks, Microsoft Dynamics GP)
- Advanced reporting & dashboard metrics
- Partner relationship management
- Customer self-service
- Workflow automation**
- eBusiness
